BARTLETT'S COMMERCIAL and BANK-DARTLETT's COMMERCIAL and BANKDING TABLES.—This Work is by far the most comprebensive series of Tables in the world. It embraces Time,
Simple Interest, Unexpired Time and Interest, Interest, Account Current, Time and Averaging, Compound Interest,
Scientific Discount, both Simple and Compound, Annual
Income and Annuity Tables, all equally adapted to the currencies of all Nations: Tables of American, English, French
and German Erchange, the Erchange of Brasil, and the Importation of Rio Coffee. Arranged with reference to the
harmonizing of the Accounts and Exchanges of the world.
That the great protensions of the work are well founded,
the subjoined extract from a Report of the Committee on
Commerce, of the American Institute, of which Freeman
Hunt. Esq. was Chairman, goes to show:
"Its admirable generalization prepares it to serve as a
